**DO YOU NEED HELP WITH OUR SERVICES?**  
**PLEASE TELL US HOW**

Do you have a disability that makes it harder for you to do the things we ask you to do? You may qualify for help.

A disability is a physical or mental condition that limits what you can do. Disabilities include many conditions such as diseases (diabetes, heart disease, HIV/AIDS); learning disabilities; depression and other mental health problems; and difficulty walking, seeing, or hearing.

If you have a disability, you can let us know and we may be able to give you extra help. You do not have to tell us about your disability, unless you want to.

Help is available.

If you tell us you have a disability, we may be able to help you by:

- Calling or visiting if you are not able to come to the office
- Explaining letters and forms to you
- Helping you to verify information or gather forms
- Helping you fill out forms
- Arranging for an interpreter or materials in large print or Braille
- Helping you appeal if you disagree with a decision we make
- Changing program requirements
- Extending deadlines
